Parents of reception children

We would love for all children to share 'wow moments' from home. There are slips for you to write about anything they do at home that is worth celebrating with us at school. These will go in their learning journeys. This can be things like counting 6 sheep in a field, reading their reading book or an achievement at a club. We want to celebrate all kinds of wow moments! Please come and ask for more if you need them! Thank you – Miss Tribe and Mrs Hickling

A message from Mr Liddell – Our Chair of Governors

Our Governors have recently reviewed the structure of your Governing Body and as a result it has been reduced from fifteen to ten members with the aim of making it more efficient.

This said we would like to thank John Denny, Paul Laughlin and Billy Hinshelwood for their time on the Governing Body and their commitment to the Federation. Paul Laughlin will continue as a volunteer in the schools. At the same time we welcome Mrs Helen Chambers who has recently joined the GB.

From the Classrooms at Witnesham:

Class 2 have been learning about the Chinese New Year and the Chinese zodiac animals which they found very interesting.

Class 4 were outside being human circuits.

The NSPCC visited our Assembly and talked about their Speak Out. Stay Safe. programme
