There has been a lot to celebrate in school as children in Reception, Year 1 and Year 6 start to settle into the new routine. Please can I remind you of the different drop off times in the morning to ensure that bubbles do not mix. **Please note a change in times for Otley.**

The infection rates continue to be low in Suffolk but please see attached a published flow chart for what to do in the case where a member of the school community displays symptoms. I hope this further reassures you that it is safe for children to attend school. Our attendance for eligible year groups is at 65% - it would be fantastic if we could raise this further before the end of term.

The governors and I continue to review the risk assessment. We will do everything we can to get other year groups into school as soon as possible and safe. We are also looking into options to ensure that transition can go ahead and that we can suitably celebrate the end of the Year 6s time in primary school. We will share plans in due course.

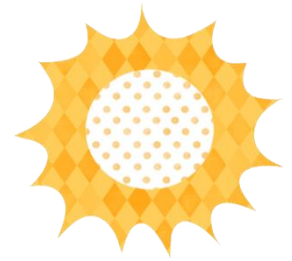

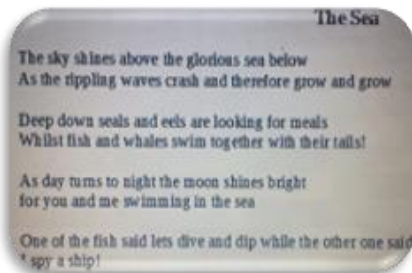

### iPads at Otley

The children have loved having our new iPads to help them with their learning. Year 6 used them to read The Book of Hopes and KW/VC used them for their African art designs.
