

# Weekly News

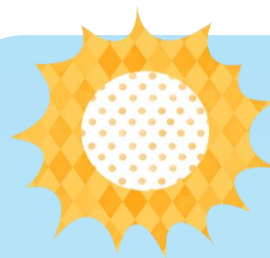

I hope you have enjoyed the sunshine this week, or even the shade!

There will be some information coming out next week about the arrangements for a celebration day for the children before the end of term as well as leavers celebrations for our Year 6's. We are so proud of everything the children have achieved this year - at school as well as at home - and feel it is only right that we celebrate this. It will also be an opportunity for all children to prepare for the start of a new school year.

There have been some new apps launched to support families with online safety. BBC's Own It app has lots of resources to support children with their 'online selves'. SafeToNet helps children 'in the moment' to become responsible and safe digital citizens.

We have reviewed our costs, and after a long time of no change, we have had to increase the price of lunches slightly. In September, the price of a school lunch is going to be £2.40. If your child is eligible for free school meals or universal free school meals they will still receive these free of charge. I hope you will agree that this is a reasonable price for a meal and, having sampled one or two myself, they are delicious!

Please remember that we are a nut free school. Can I remind all parents not to send in any nut products as part of your child's packed lunch. This includes Nutella and some chocolate bars.

### AJS Photo E-Proofs:

AJS Photography have kindly put together, without prompt, a collaboration of the individual photos of the children taken earlier in the year so that families can still benefit from the End of the Year class photos. The E-Proofs will be sent out via parent mail for each class. Ordering the photo needs to be completed following the instructions on the E-Proof as this will be completed with AJS directly.

A couple of pictures from Witnesham key workers group.

We have started our journey around the world in 80days like Philieas Fogg, visited Spain in a hot air balloon, then went to France on to Italy, next stop

Egypt.

Reception & Yr 1 children at Otley have been working on the Snail and the whale this week. We have completed lots of under the sea craft activities and science experiments!

**PASSION + PRIDE = PROGRESS**
